STEP INTO LEARN SHAPE UP YOUR FUTURE STEP OUT AS A WINNER

From The Chairman's Desk

One of the greatest joys in life is to gift our children a memorable childhood and adolescence, enriched by all round education which goes all the way to shape up their future and life. We are genuinely pleased and honoured that you chose to give such a gift through US.

Hearty Welcome!

We are delighted to have your child under our care.

At Zumar Academy we ensure that every child entrusted to our care, steps out as a future-ready professional-in-making equipped with empowering education. More importantly they walk out of our institution with a Winner's Mindset and high achievement orientation.

We earnestly believe that what we give our children during the formative years will serve as a strong foundation for a successful career and life. And so, we spare no effort to ensure that your child gets the best of education at Zumar Academy: truly, a kaleidoscopic package of robust curriculum and learning experiences which result in the right mix of Perspectives, Attitude, Knowledge and Skills (PASK). The entire learning journey is supported by a fine band of dedicated educators, world-class

infrastructure, tie-ups with leading edu-services organizations (for NEET Coaching etc.) and our commitment to education and transformation of society.

We value your trust in us and assure you that we will extend the very best care and support for your child. Once again a hearty welcome to Zumar Academy – where your dreams and aspirations are transformed into reality.

We look forward to your understanding and support for our sincere efforts directed towards helping the children script a life of purpose, glory and success here and hereafter.

Courses Offered

01 Repeater Batch (For +2 Completed Students)

This course will cover full theory portions of XI and XII with entrance questions in a serious and systematic approach. Since the student is free from the burden of school curriculum, they can prepare very well, with the support of our well trained teachers. Remember, in Kerala, repeaters are scoring more in the entrance examinations.

Course Duration – One Academic Year

02 Integrated Schooling with Entrance Coaching Classes 11 & 12

At present, many students are struggling to cope up with school syllabus and entrance coaching. The main reason is the difference in the flow of lessons in entrance coaching centres and schools. So we are coupling these two elements together to reduce the burden of two separate pattern. The classes will be within the regular school time schedule. Students are free from wandering in between school and entrance coaching centre. Students in this stream will get enough free time to prepare for school examinations.

Course Duration – Two Years (Plus1 & Plus2)
with Entrance Coaching and Schooling

03 Crash Course

This course will cover full portions of XI and XII with tailor cut methods for current year entrance examinations. Course includes a quick review, model papers and practice tests. Our expert teachers will equip the student with short cuts and tips to crack the entrance examinations. Since the student is free from the burden of school curriculum, they can make a quick review along with our trainers. This will set his/her mind to face a tough examination in an easy way. The design of curriculum is with many rehearsal tests. Crash course will help the student to prepare very well, with the support of our well trained teachers.

Course Duration – Class starts on the very next day after the completion of Plus two Board Examinations and it will extend up to the previous day of NEET/Kerala entrance.
